SaniForce Solutions

Improve plant efficiency, safety and ergonomics

CONTAINER

**SaniForce 515
FDA Diaphragm Pump
with Drum Kit**
up to 5,000 cps

**SaniForce 2:1
Piston Pump**
up to 50,000 cps

**SaniForce 6:1
Piston Pump**
up to 100,000 cps

SaniForce Elevator
Use with SaniForce 2:1, 5:1
and 6:1 Piston Pumps
up to 150,000

**SaniForce Diaphragm
Drum Unloader**
Available with SaniForce
or 3150 HS Diaphragm
up to 100,000

Typical Materials

Edible Oils

Flowable Lotion

Chocolate Syrup

EVACUATION

Diaphragm Pump
Available with SaniForce 2150
Diaphragm Pumps
up to 1,000,000 cps

**SaniForce Piston Pump
Drum Unloaders**
Available with SaniForce 5:1,
6:1 or 12:1 Piston Pumps
up to 1,000,000 cps*
*When used with priming piston pump

**SaniForce BES
(Bin Evacuation Systems)**
Available with SaniForce 5:1 or 6:1 Piston Pumps,
or SaniForce 3150 HS Diaphragm Pump
up to 1,000,000 cps*
*When used with priming piston pump

Ricotta Cheese

Tomato Paste

Peanut Butter
