

WHAT IS QUANTM?

- Electric double diaphragm pump
- Plug & play
- Operates like AODD
- Small footprint
- Cost in line with AODD pump
- Built in controls
- Quiet
- Operate remotely

WHY ELECTRIC?

- Incredibly efficient
- Uses up to 8X less energy than AODD pump
- Reduce or eliminate high energy consuming air compressors
- Less than 24 month ROI
- No pump freezing

PUMP OPTIONS

Industrial

1/2" to 2"

Wetted section: Aluminum, SST, Poly, PVDF

Same internals as AODD line

NPT, BSPT and flange

Sanitary

1/2" to 4"

Wetted Section: SST

Same internals as AODD line

Tri clamp and DIN

TECHNICAL SPECIFICATIONS

Flow Range	0.5 - 120 gpm
Working Pressure	10 to 100 psi
Porting sizes	1/2" to 2"
Sound	40 db
Power	120VAC, 1 Phase or 240 VAC 3 Phase
Weight	Poly 1/2" = 25 lbs
	AL 1" = 40 lbs
